

Desiccator Vacuum, PP/PC

~Keep your samples dry & contamination free with precision vacuum sealing

1
YEAR
WARRANTY

Key Features:

- These thick-walled Vacuum Desiccators are made from premium plastics which are light and easy to handle.
- Optically clear, shatter-resistant PC upper section offers unobstructed viewing of contents.
- PP lower section offers excellent chemical resistance.
- They can hold 29 inches of mercury vacuum for 24 hrs, without grease application.
- The three-way PP stopcock has a Teflon key and the port accepts 6.35 mm ID for vacuum suction.
- Silicone 'O' ring assures tight seal down to 0° C without using grease.
- PP stopcock (with PTFE plug) controls airflow to gently release vacuum.
